

Dear Transplant Nurse,

*I just want to thank you for being there for me,
Whether it was whatever you were doing you did
it with compassion and love. You always had a
kind and encouraging word. You were comforting
to my friends and family. It is people like you that
make our hospital stays more tolerable. I have had
two kidney transplants so you were twice as nice
to me.*

*Once again thank you from the bottom of my
heart and thank you from my friends and family
also.*
