

TRIO

TRIO strongly supports local chapter membership and urges everyone to join a local chapter to receive the many benefits of chapter affiliation. Below is a list of TRIO chapters. Please email or call your local chapter or visit TRIO's website www.trioweb.org to read current chapter activity reports. If there is no local chapter near you, please join TRIO as a Member-at-Large. You will find a membership form for download on TRIO's website.
