

## TRIO

TRIO strongly supports local chapter membership and urges everyone to join a local chapter to receive the many benefits of chapter affiliation. Below is a list of TRIO chapters. Please email or call your local chapter or visit TRIO's website [www.trioweb.org](http://www.trioweb.org) to read current chapter activity reports. If there is no local chapter near you, please join TRIO as a Member-at-Large. You will find a membership form for download on TRIO's website.
